IMAGINE

An event where all Nonprofits can learn and grow at an affordable price and still get the same value as if they went to a large Conference.

MEET TINA NUGENT

FUNDRAISER WHISPER, PRESIDENT, & QUEEN OF IMPACT

Throughout my career, I have also had the privilege of working with numerous businesses, assisting them in creating Corporate Social Responsibility (CSR) initiatives that provided vital funding for nonprofits. These experiences have shaped my understanding of the needs and expectations of both donors and nonprofits.

This conference is meant to help reach those grassroots nonprofits as well as the large size nonprofits and show that when we collaborate and work together the possibilities are endless.
